We offer a nice variety of colors and patterns for our kittens. However, we do not interfere with nature by force breeding or controlling the process. All kittens receive the same love, care, and share similar DNA on the inside. The approximate wait time from deposit to placement is six months. Your placement position will move up with each litter born and placed with new families. If you are open to various colors and patterns, your wait time may be shorter. We will inform you when your kitten is eight weeks old. Kittens can go home between 12-14 weeks. While we welcome requests, please note that specific requests may take longer and the wait time may vary.

If we offer a kitten similar to your request and you decline or fail to respond, the deposit will be forfeited. We reserve the right to cancel the sale of a kitten at any time. If we cancel the sale before you receive the kitten, we will refund all the money paid to us. However, if you cancel the sale before receiving the kitten, the deposit will be forfeited.

We will inform you of the pickup date several weeks in advance. You must pick up the kitten within one week of that date unless we agree otherwise. If you don't pick up the kitten during the specified time or make alternate arrangements with us, we'll assume you want to cancel the sale, and the deposit will be forfeited.
